“ *Missy, Charlotte, Greg and Theresa, and extended family - I was so sorry to hear of David's passing. He was such a bright light and a contagious smile. I have the best memories of David always lending a hand and hanging out with us 'older' neighbors. I remember when he stopped by one day to tell us about the beautiful girl he was dating .. 'Missy'! He was so happy! My heart breaks for you and I know he has left an emptiness that will be there forever. Sending prayers and much love to you all. Thank you for sharing David with us - we were lucky to have known him. God bless and hugs, Laurie Kittle*

“ Charlotte,  
I just got the news about David and wanted to send my deepest condolences. I spoke earlier with Sue and told her I wanted more information. I am writing this message while you are attending the funeral and my thoughts and prayers are with you and your family. You have been the rock of the family over the many years as I reflect on attending your wedding. Although we seldom communicate you will always be my example of class, good humor and a tremendous person.

As they say at mass every Sunday, "May the peace of the Lord be always with you".  
I wish you peace and salute you for all you do.

“ My deepest sympathy for you, Missy, and each of David's family members. David was all about love. It showed in his every thought and action. I think everyone loved him deeply. When there is so much love in a family, it only stands to reason the grief will be deep. My prayers for David over the years were simple. I wanted him in a good, Catholic home. I wanted him loved. If he decided to marry, I prayed for him to have a loving wife and loving children. I prayed he would be able to take care of himself and his family. David had it all, and was more than I could ever have hoped for. Most of all, I wanted him to be a Godly man, able to love and have good judgment. He surpassed all expectations and he was truly blessed. I will always love him, and all of you, with all of my heart.

*Love to all, Nancy*
