“ I was looking up old friends and come across this when I looked up my dear friend Dawn. This absolutely breaks my heart to see she is gone. I was so heartbroken over her diagnosis of Huntington's disease. She was always such a wonderful friend to me. I'm sad we lost touch over the years. I met her when she was in Washington state serving in the Army at Fort Lewis. She was very caring, funny and had one of the most beautiful smiles. We spent a lot of time together and even attended some church services together. I will always love and miss her.
