“ *Deanna was a beacon of light. I could see it in her smile and hear it in her voice. It was so uplifting to see her at the Greekfest. A smile would come over my face whenever I saw her approaching my work station. Deanna would just begin talking about this or that with such enthusiasm. The realization that she won't be around to share her gift of compassion and kindness is heartbreaking. Yet, I know that her presence will be felt forever and her memory will be eternal. May her family find peace in knowing how much she was loved during her short life on earth.*

“ Deanna will always be remembered for her beautiful spirit. She could make the coldest of hearts melt. She truly was an angel on Earth and will be missed by so many. I will cherish the memory of her quick witted one liners and kind words, she never had a negative thing to say. My heart aches knowing I won't see her infectious smile again, but heaven is surely sweeter with her there. Sending love and prayers of comfort to her family.

“ Dear leni, Deanna put a smile on everyone that met her. Every single time she ran into me she had to remind me how long ago when i coached her in pop warner , she told me she never forget how much fun she had cheering with me. Loved the memories she brought up❤️ Recently we ran into her at the summer market. She was full of jokes that day. Picked on Kyle my son. Def put a smile on us that day. May she Rest In Peace be your guardian angel

“ Dear Leni, Dave and family, to say when I heard the news of Deana's passing (which was on my daughter's 17th bday) was a shock to my heart. I told Melanie the greatest bday gift she received was a new guardian angel, and the kindest, sweetest one at that! Deana recently walked by my house while I was out w my dogs who she loved to stop and pet. And she was observant, asking why our garage door hadn't recently been open and where was my husband? Well, he's been working out of town, I told her, then she asked about my parents health and how they were doing without the Garber's next door anymore, since they had recently passed and we talked some more. And she never left without saying we were the "original Pill Hill-Billies!" And I would just crack up. She remembered the few times I had babysat for her and Christo as little ones and said I was her favorite sitter. She wouldn't ever leave you unless you had a smile on your face. She truly was an angel on Earth, and I will miss seeing her on her walks and getting a daily dose of Deana laughs! God bless you all, and we've all gained a beautiful, kind, selfless, funny, sweet and dynamic angel, that's for sure, and I'm glad she's peacefully on the other side where she will always be young, beautiful, fun, and full of life, singing and dancing. We love you and will miss you, Deana! The Leonard's, Tom, Valerie (Heuring), Melanie, and our dogs, Fergus and Harper

“ *Dear Leni and Family,
My heart was crushed into pieces when I heard of Deanna's passing. As you know , I was very fond of her.It was an honor to be her Teacher! I was even more blessed to be able to stay close to her for all this time. We talked about all kinds of things.Our conversations almost always ended with Deanna expressing her thankfulness for the "Sheer Love" you showed that pulled her through her trauma.
Let's always cherish the memories of the happy moments when that beautiful smile would appear on Deanna's face! Just thinking about it makes me smile !*
