“ I was so sorry to hear about your mother's passing. I can't tell you how the memories flooded in remembering all of the endless days and nights that I spent at your home during our "younger" days and how great your parents always were to everyone. Please accept my condolences.##imported-begin##Karen (Uzelac) Gard##imported-end##

“ When we moved into our house on Maple St. 26 years ago, Debby and Paul lived in their family home across from us on Lafayette St. We used to enjoy greeting them and their little dog Wicket (and Debby's later dog Spanky). They were good neighbors, and at that time, they were "old timers" in the neighborhood. Now WE are the old-timers, and we still live across from the big grey house that we will always think of as the Yocum house. Condolences to Debbie's family.##imported-begin##Linda Ferguson & Ralph Klapis##imported-end##

“ *Mrs. Yocum had an important influence on me during my childhood in Glen Park. I was one of many friends of the family who spent countless hours at their big, bustling home.*

She was always very generous, smart, curious and fun-loving. I'll miss her.

My sincere condolences to her daughters Kate and Karen- - and to her grandchildren.

Warmest Regards, Amy##imported-begin##Amy Parry##imported-end##
