“ Mike and the Golec Family - I am so sorry to hear that Debbie had passed. I will always remember her smiling face and all the fun we had when we were a lot younger. I know she fought this awful disease for a long time so bravely but sometimes good doesn't win. You all will be in my thoughts and prayers. I sent a hug with Holly tonight and I am sure she passed it along.

*As I write this with a heavy heart, I am so sad to hear this news. I only knew Deb for a short time. I met her through the Marquette Yacht Club. When she and Mike would come in we would have the best conversations about everything. Deb was the strongest, sweetest, positive, sincere person. She never had a mean thing to say. I will miss our conversations, but the memories of her will last forever. Every time I make a drink and put an orange in it...this one is for you Deb!!! May you rest in peace. God Bless you.

I am still so sad for Mike and the family. We met Mike and D b in PV a few years ago. Her smile and upbeat attitude was so wonderful. No mater what she was going through there was always that great smile. Some people you meet in this world are special and Deb you were one of those people. I will miss our time in my "Office " with you. Mike will know what that means. My heart had a hole in it.....
