“ *Debbie was a lot of things to me a mother a friend and the first person to teach me what it was to become a lady. I will never forget the times we spent together making holiday baskets, doing balloons for weddings and other occasions. I even remember the year she decided to do Christmas trees. I will always be grateful for what a wonderful mother she was to my little brother. I love you Debbie and wish we could have remained in contact. Tell David Hi and that I love him to. Michelle*
