“ Uncle Del,
Thanks for making the brief periods of time we shared together so memorable! As a child, during our trips to Gary & Hobart to visit our grandparents, aunts, uncles, nieces & nephews you always made sure that these trips were extra special by taking us on trips to the lake, taking us on dates (you were northern Indiana's most eligible bachelor...thanks aunt Donna for taking him off the market), shopping sprees to the sporting goods department at MW, playing sports with us & most fun of all, sleeping with all of us kids on grandma's living room floor & telling us scary stories. Funny how those sleepovers on grandma's living room floor had such an impact on me. As an adult, later in life, I really enjoyed reconnecting with you & catching up on our family & our family's history. You were so willing to share your life's experiences & had a genuine interest in mine. Your life was full! Your legacy will live on through your beautiful children, Christian & Sonja, your grandchildren & great grandchildren. You are now free of the trials & tribulations of this life, rejoice in God's heavenly kingdom. Rest in peace Uncle Del, I'll see you "on the other side."...Love, your nephew, Gary
