“ Hi Lynn and the family. I was just thinking about my friend so I decided to google her. Even though we have not seen or spoken to each other in over 20 years I'm still heartbroken and in disbelief. I will never forget how caring and loving she was to me when I first arrived at Chanute AFB. Yes, she did love to cook and so did your mom. They are up there cooking together. I'm so sorry we didn't keep in touch. She will always be a friend to me.

“ So sorry to hear about the passing of Denise. I worked with her for many years at DirectBuy. She was always so sweet, kind, and helpful. She helped me so much when my daughter started school. For the first couple years, she helped me get my daughter on the bus for school and would not take anything in return for it, despite my many attempts. My daughter said she had a “great morning” every day for those first couple years. My heart, thoughts, and prayers go out to Denise's family during this difficult time. I will never forget you, Denise and you will always be missed!! Rest In Peace!
