“ You were my guardian angel, my sister, my friend. Please continue to watch over me as you dance with the angels up there Denise! I will see you again some day and listen to that lovely laughter of yours that filled a room! I love you!

“ So many memories- so much laughter and love. Denise was gifted with a heart bigger than the Grand Canyon. There wasn't a person she wouldn't help or a person who didn't feel like they knew her forever. I still hear her laughter and see her smile. Her legacy will live on - her kids - her friends - her family and those she touched. It isn't goodbye it is until we meet again....Godspeed my friend - rest easy.

Rest in Peace to my goofiest aunt, Denise! Thank you for always condoning my less than perfect behavior, as well as partaking in the frivolities right by my side! I love you and I will miss you dearly.

“ Eric - I write this with tears in my eyes. My heart breaks for you, Larry and Nikki. Your mom was one of a kind. Denise had the biggest heart of anyone I ever knew. She was always doing something for you kids, not to mention my own son. Some of my best memories were when we were neighbors on Buchanan Street. She loved you kids so much. I says kids because all your & Nikki's friends were like her own. She's earned her wings helping others and now watches down all of you. God bless you & your family during this very difficult time.
