Tribute Wall

“ To my life long friend and constant companion growing up together. I didn't drive back then, but Dennis was always there to give me a ride when I needed one. Worked my first job with him delivering news papers for Wallmans in Chicago. We shared many a meal, ball games, poker games, and he was always there for me and my family. I'm so sorry your no longer with us, but you will always be in my memory and prayers.

“ I am so sorry for your loss! Dennis was my first friend and neighbor! I have many memories of him from when we were kids and would get in trouble together! He and I grew up together! So sad! He was too young!
