“ I came across this announcement a few months ago and I was saddened that I missed the service to show my respects. Denny and Dori Robb hold fond memories of my childhood, when they would come by to see my parents for dances or to just visit. And my memories of visiting them in California are with me forever! I can still picture Denny and his smile. Dad went to heaven before him, and I can just picture them together there with my Uncle Jack too. Love you Robbs! XO
