“ To my good friend, we have had a life time of great memories being neighbors, enjoying your open pit hot dog cook-outs. The first time you brought over one of your home made pizza's. It was such a treat to have been neighbors and then enjoying each others company with phone calls and all of your wise wisdom on life. Until we meet again, Dan and Linda

“ Growing up, my sisters and brother and I spent many summers visiting with Denny and his family. We always looked forward to going out to the country and away from the busy city. Saw our first farm animals and loved being out doors. Happy memories with cousins. Sure Denny is being greeted and hugged by all the aunts and uncles who went to heaven before him. Love you cousin Donna

“ *I'm saddened at the passing of Denny. I can remember when he would visit my mother and I and spend hours talking with us. This past year we talked every few months and strengthened our bond. He will be missed and remembered until I join him.*
