“ To Dirk\'s family:
I went to high school with Dirk and always thought he had a great sense of humor. He was at Crown Point when my kids were there and I was active in the athletic department. He greatly impressed me with his ability to interact with the students as an administrator and as a friend. I remember thinking to myself that working with kids was exactly what he was meant to do. I pray that God will give your family strength during this difficult time. God Bless you all.

“ Dear Nancy and Family,

Our hearts go out to you and your family. Dirk was a very good friend and he will be missed by me deeply. I am glad that I had a chance to speak with Dirk recently. I will never forget when Dirk got his new boat and we went fishing at Flint Lake, I think the biggest fish we caught was a 3\” bluegill, but we had a great time. If there is anything Carol and I can do to help, please ask. Our prayers are with you.

“ Dear Nancy,

I was shocked when I got the news that Dirk had passed away. You and Dirk have done a lot for me over the years and I will never forget your love and kindness. I am sorry that we lost touch these past years, but know that I have thought of you two often. Barb remembers you from the dinner we had at Lauers so many years ago. We send our love and sympathy to you and your children. I will always remember Dirk as brother and friend. Love Jim and Barb Turner##imported-begin##James Turner##imported-end##
