“ To my neighbors and my friends,  
Your Father was a very kind man. I have many fond memories from growing up with all of you throughout the years. He always had a message used with kind words and always ended in a prayer. One Christmas, he offered to me a Cuckoo Clock which I gave to my mother and this day, is still one of my favorite gifts I have ever given to her. He once invited me to break bread with your family during a Holiday which I will always hold dear to me.  
As Paul McCartney once said.... The Love you take is equal to the Love you make.  
I know he took with him, much Love.

Prayer for you all during this sad time.

“ I will always cherish the memories of Mr. Vasic picking me up in the praisemobile and taking me with Tina and the family to Serbian Dances. Whenever I would come over he was always so sweet to me and told me "God loves you". A couple years ago I was at Tina's house with my kids and Mr. Vasic began talking to my oldest son . He told him God loves you. William thought he was so wonderful and still talks about him today. When I told him Tinas dad had passed away he said. Oh hes the one who said God loves you. He was so nice, I really liked him.

I am thankful that he was a part of my childhood, raised my wonderful friend Tina who is such a blessing to me, and that my son got to know him as well.

Rest in peace.
