Tribute Wall

“ My deepest sympathies and heart-felt prayers go out to Dave and the entire family during this difficult time. I will always remember how she would say \"Oh David\" when Dave would act up or say something goofy. She said \"Oh David\" a lot! God rest her soul and I wish I could be there to show my love and support, but know that I will be with you in prayer and spirit.##imported-begin##Dan Owens##imported-end##
