“ I will never forget the day that Don pointed his gun over the fence and shot my husband and I with his 22 rifle and got a slap on the wrist thankfully we are still alive and we are doing well doesn't seem so with Don He's where he belongs and no other spot!

“ I just heard, I'm so sorry to hear this, my condolences to the entire family at this sad time. I have so many childhood memories It would take hours to express the fun we had, these later years I have not been out much myself, I use to run into Don all the time and shared how the families are doing and my heart is broken to hear this sad news. My prayers go out to the entire family and I hope can make it. Love and Gods Blessings Phyllis (Tanner) Trembczynski

“ *I will never forget the blizzard of 1978. Roads were closed but we needed cigarettes. Don trudged down the middle of Colorado St to the Clark gas station on the corner of 30 and Colorado to save the day. Another fond memory was when he helped me put together my daughter's toys for Christmas. He was at our house drinking shots with Dan and Dan passed out leaving Don and I to get things put together for Christmas morning. I had warned him that Dan couldn't handle shots but he didn't believe me. Lol. Don was always a great neighbor and would do anything for anybody. I am so sorry for your loss and pray that God gives you the strength to get through this sad time. Sincerely, Toni Zirkel Equihua*
