“ Dear Val & family,
We were deeply saddened by the death of Don. This must be very difficult for you. You are in our thoughts and prayers.
Don was a great guy and will be greatly missed by all who knew him. We'll always remember the "good" times shared with him!!
Take comfort and strength from the wonderful family you have and know their love will get you through this sad time. Don will always be our "brother-in-law" and the "father" to our nephews Chad & Cody and our sons "uncle".
May God bless you and your family during this time and always.
