I was lucky enough to be able to coach little league with Don. He was a very loving father and a great man. He was dedicated to coaching the team and his son even when he was going through the pain from his health. I will always remember him and will try to carry forward some of the traits that I saw him exhibit. My prayers go out to the family and may God bless you all and help you through this time.

“ I never will forget the day Don joined me on the dance floor at one of Amy's high school reunion party. We made complete fools of ourselves while having the time of our lives. I would like to take this opportunity and thank you for the great memories we shared on the dance floor, at the baseball fields and in the neighborhood. I look forward to seeing you again brother, may God bless you and watch over your family.

“ Don was a great husband, father, neighbor and friend. We will miss our time in the backyard having bonfires, laughing, and rooting on the Cubs. Our thoughts and prayers are with Amy, Sarah, Jacob, Roxy, and Princess Puss Puss.
