“ I'll always remember Don as a great friend and a great athlete. Some of my fondest memories were from our high school football team and our team strategies at his parents , Lions Club dances, dances at Marquette Park Pavilion, cards /poker, Super Bowl parties at his home. There was a time much later after high school where he came to my home and we were playing basketball so we got Don involved and he played center for us without ever leaving his car ...lol. RIP my friend.....

“ Don and I were neighbors and close friends from the days of attending Feiler Elementary School through high school in Merrillville. I did not see him as often in later years but when I did, he always wore the same smile as in this photo. Go in peace my friend.

“ Don stopped being "just a friend" a long time ago. I lost my Brother. No one had a bigger heart and more of a reason to be mad at the world but never was.
I love him and may God take special care of him.
