“ I feel so sad to hear that Donna passed away.. I worked with Donna for 10 years.. She was my Supervisor at AG Edwards.. She was a boss, a friend, a mother figure to me as well.. I have so many fond memories of working with her. She was such a great person.. Always helping someone out however she could.. She was one of the most selfless people I had ever known.. She would do for others before she would do for herself. Always there if you ever needed anything. My heart goes out to her husband and sweet mother.. She loved them both so much. May her memory remain eternal... I will and do miss her deeply..

“ Roy,I was very sorry to hear that Donna has passed away. Both you and Donna were great neighbors and very supportive of my parents in their later years. They were very fortunate to have both you and Donna living close by. My mother always spoke highly of you and Donna. I will always remember only the very best when thinking of Donna.Rich Young
