“ *So many memories from when we were neighbors, Donna working in the garden in her bikini, oh how I envied her shape, tall and thin. Swimming in the pools, sitting outside drinking Boones farm wine. We were young. Later after moving apart, we stayed in contact. Your mom ,grandmother, mother in law, was a good friend. She was so proud of her girls, and each one of you grandchildren. She would tell me with such pride what each of you were accomplishing with such pride and love. She will be missed, I was so glad I got to see her that Monday. My deepest sympathy to you all. With love, Sue Aldrich*
