“ Janet and Erin and all she loved and cherished. I just want you guys to know that I want to be there with you guys but I can't drive anymore along with other health issues that are very aggravating! Just know that I'm thinking of all of you. ❤️

I am saddened to hear about the passing of my friend Donna. While waiting for my car repairs, we had the best time talking. She called me her favorite Fireman ❤️ she will be greatly missed and I will cherish the memories. From our conversations I knew she loved her Janet and Erin. I pray that God will strengthen you both and give you peace 🙏
