“ *Dorinda was always a fine example of the woman I aspired to become. Why? My mind goes back to a time when her brother (my ex-husband) and I were in transition with our living situation. Dorinda welcomed us into her home. During that time she taught me so much. Not in a way she knew or even tried but just in the way she lived. She was such a hard working woman. She never looked for a hand out, even as a single mother, but instead kept herself busy working hard for her and her daughter, and also for her community. For others in need, Dorinda truly portrayed to me the woman the Bible speaks of in Proverbs 31. I am blessed to have known her and know I will see her again one day. Truly you made a difference, RIH Dorinda, love ya girl.....*

“ *I remember when Dorinda and I rode my red Murray tractor with a little trailed Thad had a dump bed and a seat, Dorinda would ride on the trailer and I would drive the tractor, believe it or not the trailer went bye bye, but I still have the tractor and it has been used by my children, grandchildren, and in another year or so my great grandson. God is great., Dorinda my prayers have been with you since I heard you went to the hospital and along with prayers I know mom and Fran welcomed you to heaven as God left you through the pearly gates.*
