“ *Many family memories with Doris. I sure remember a lot of laughter when she was around. My mom, Marion Willhoite, was in the nursing home the same time Doris was and I would talk to Bud about how things were when we were younger. We talked about the family parties and how sad it is that everyone has gone their own way. We will miss you Doris just as much as I miss Uncle Lloyd and my mom. God Bless You, now you are in heaven as one of God's angel's.*

“ *There has never been a more beautiful or sweet aunt than Aunt Doris! One of my favorite memories is when Don and Lori and I took her with us on a trip to Memphis to see her brother and his family. We had so much fun! She bought so many things that we couldn't fit everything into our car for the trip home! Uncle Vernon had to bring the rest of her treasures with him on his next trip up north. We were so blessed to have many wonderful years with her.*
