“ *Ron, Susan, Tricia & Ron
So sorry for your loss. Your Mom/grandma was a class act. I have such fond memories of the summer that she opened her home for me. I am so happy to have spent that time getting to know her beyond just your visits to Bass Lake. Blessings to you and all your family during this time.*

“ *She will be missed dearly.
She was quick witted, and could make me laugh.
Her heart was so pure, and her soul was infinitely kind.
My wish for Dorothy is that she is eternally happy.
Surrounded by those who love her.*

“ *Dorothy, you were a very special lady and an important part of our family.
Ron and family, there is definitely an emptiness that you may be feeling right now, but I encourage you to remember those special times. There were a lot of very happy times.
We love Dorothy and love you. 2015 has been a year of losing some very special people, your Mother, by no means the least.
