“ *Even though our times visiting were not as often as I would have liked, I always looked forward to visiting with Aunt Dorothy. I loved her laugh, the stories she would share and I thought she was one of the best cooks ever! No one could beat her apple pie! I am happy to have been her niece and when the time is right, I know I will see her again. My love to the family, and wish we could be with you. Love,
Juli*
