“ *We remember you coming to Joe Lake with Shannon to visit Grandma Kettle. It was a special time, only adding to the magic of a beautiful setting. We thought of you as wise, strong and independent. Imagine, 29 years delivering for Meals on Wheels. So many people in need waiting for you each day. Now go to heaven and wait for us. We'll all see you soon enough. Mom Kettle and family*

“ I feel such heartfelt sorrow with the passing of Auntie Dot. I will forever cherish the memories of her, Uncle Bob, all of you, and most especially the excitement of anticipating your Streator visits. Such fun we all had at Grandma and Grandpa Hart's house. Did you know I never knew them as that as Kirk and I called them Tina and Joe. Please know you are all in my thoughts and prayers and I will certainly be at the service in spirit. Love 💕💕 Jo. Jack also expresses his condolences.

Dorothy was the best neighbor I've ever had. She treated my boys like they were her grandchildren and was always willing to lend me a hand. I remember helping her once in a while with meals on wheels, grocery shopping with her, and hopping in the car just to sight see. A wonderful woman. My condolences to her family.
