Dorothy Mae Haussman was a caring wife, mother, grandmother, sister and friend. She passed away peacefully at her home on May 3rd, 2023 at the age of 88. She was born to William and Mable Ehrhardt on February 16th, 1935. She graduated from Valparaiso High School where she was the Homecoming Queen. She then attended Indiana University where she was a member of the AOPi sorority and earned her degree in education. She later earned her Master's Degree from Purdue University. It was at IU where she met her husband of 63 years, Roy (Fritz) Haussman. Together they had 3 children: Dan, Kelly and Eric.

Dorothy taught elementary school in Florida, Gary and Hobart for the first part of her career. She was the Library and Media Director at Hobart High School for the second part of her career.

Dorothy loved her family farm where she enjoyed her horses, dogs, cats, sheep and chickens. Every summer she looked forward to growing a bountiful garden and sharing the produce with family and friends. One of her lifelong passions was her arts and crafts. She had a ceramics studio on the farm where she and her dear friend created beautiful pieces of artwork. There was also a loom in the family room where she enjoyed her passion of weaving. Upon retirement, Dorothy and Fritz spent their winters at their home in Longboat Key, Florida. She enjoyed spending time at the beach with her very special "sunshine friends". Dorothy was preceded in death by her parents William and Mable Ehrhardt and her dear sister Marian Ehrhardt Bertsch. She

is survived by her husband Roy (Fritz) Haussman; her children: Dan (Jessie) Haussman, Kelly Haussman, and Eric (Sharon) Haussman; grandchildren: Dana (Harrison) Runyon, Amanda (Jason) Haussman, Logan (Chris) Haussman, and Jake Haussman and several nieces and nephews who were very dear to her. “ Unfortunately I never knew she was an Ehrhardt my loss would have liked knowing her. I had met her sister years ago and her husband. Deepest condolences to all my cousins and family on the Ehrhardt side of family. My Grandmother was Anna Ehrhardt whom passed in 1941 prior to my birth.

“ I was lucky enough to have her for my art teacher at Foreman school. In high school I had the pleasure of working with her in the library. Recently we got together and had the nicest afternoon. We chatted about our family history. She was not only my teacher, but also my cousin 💕 So glad to have had that time together. Prayers for her family 🙏

“ We knew Dorothy and Fritz from being neighbors at Gulfshore in Long Boat Key, Fl. Dorothy was such a hard worker and knowledgeable of many things. She loved art and crafts. My special memory is when we were at the beach one day and she taught me about the sea urchins we found on the beach. I never knew that when dried, you could gently open the outside and inside was a beautiful, completely oval round shell! My special memory. Thoughts and prayers are with the family. She will be so missed.
