Tribute Wall

“ *My dear sweet mother-in-law, there could never be anyone to take your place in my heart, all of the laughs we've had, and all of the tears we have shed together over 45 years will forever live in my heart. I'll miss you always "ole Bat", no one understands the relationship we had with our "pet" names for each other, there will never be another "ole Bat" for me.*

I love you
