“*Doug and I grew up a block apart in Merrillville. All of the wonderful things we are reading about Doug he was like his entire life. He was a quality guy through and through. An individual that was incredibly nice and always positive. I had lost contact with Doug when I got married. One day we were having dinner at a Valpo restaurant and here comes Doug! We had the best conversation. Doug told me all about his wife, children, and provided an update on his brothers, and sister. It was like we had never lost contact. My deepest sympathies and condolences to Mary, John, and Emily.*

My condolences to Mary, John, and Emily, I was lucky enough to first
meet Doug when I was a 6 year old boy playing little league together.
We ended up going to High School together and living near one
another and raising family's in the same neighborhood, always such a
nice and funny man, you will be missed by many. RIP my friend.
