

## Douglas B. Hampsten

December 19, 1962 - February 16, 2021

Douglas B. Hampsten, age 58, of Dyer, IN passed away February 16, 2021. He was preceded in death by his parents- Charles and Betty Hampsten. Douglas was a graduate of Lake Central High School and Indiana State University. He was employed at Strack and Van Til; loved building models and loved being a manager of the high school basketball team. Doug was intelligent, funny and had a great sense of humor. He will be missed by many friends and associates he made along the way. Burns Funeral Home, Crown Point entrusted with arrangements. [www.burnsfuneral.com](http://www.burnsfuneral.com)

“ Doug and I were college roommates. We spent hours together playing wargames, having a beer, sharing books we both loved. I am so very sorry to hear he's gone. It's a shock, he was so funny. I'm saddened we didn't keep in touch after college.

“ Doug and I were friends when we were young. I always marveled at his skills in model building. Remember he also had a great collection of Peanuts books.
