

## Douglas C. Kincaid

December 14, 1955 - December 13, 2020

Douglas Kincaid 65 of Hobart Indiana- This past Sunday the region of Northwest Indiana lost a wonderful man. Doug Kincaid was born in Chicago Illinois, but he lived almost his entire life in Northwest Indiana. He grew up in Highland, where he graduated from Highland High School in 1974. After graduating he turned down an offer from Papa Bear Halas to play for the Chicago Bears in order to join the U.S. Navy to work as a CB. After being honorably discharged he went on to work as plumber, excavator and operating engineer working on some of the most high-end jobs in both the Northwest Indiana and Chicago area including FERMA Lab, The Museum of Science and Industry, Deep River Water Park, and the Porter County Jail just to name a few. After retiring he enjoyed spending his leisure time fishing, hunting, and scuba diving in Bull Shoals Lake Arkansas. He was the primary caretaker of his 29-yr-old son, Daniel Kincaid, who has cerebral palsy. He is survived by his two sons, David and Daniel Kincaid, his daughter Allison Kincaid, his two brothers Robert and Glen Kincaid, his sister, Mary Lee Kincaid, and his mother Mary Kincaid. He was proud of resident of Hobart Indiana for more than 30 years. He was a great family member and friend and will be tremendously missed by all who knew him.

If you would like to help with the care of his son Daniel Kincaid you can send donations to his Go Fund Me at [gofund.me/19ed4c3a](https://gofund.me/19ed4c3a).
