“ Cathy, Mike, Karen & family,
We were very saddened to hear about Larry. As our East Canton neighbor, we remember his sense of humor and how much he enjoyed good-heartedly teasing our mom, Betty, also in heaven, He was surely a blessing to many with his career as a physician. Keeping you in our thoughts and prayers.
Sincerely, The Brechbill family - Bud, Judy, Linda & Carol

“ I was saddened hear of Larry's passing. He was a great friend and a talented musician. We played the same instrument in our high school Band and had much time to make memories during rehearsals and concerts. . He had a good heart which showed into adulthood at his choice of careers- a career of service to others. My sincere condolences and prayers to his family. Cindy Bardine Neiswanger

“ Cathy, Mike, Karen, and family,

—Lighting a candle in honor of Larry, my dear East Canton High School classmate. I have many warm memories of Larry during our years at ECHS. I remember Larry had a wonderful sense of humor. He was kind, too, and always supportive of his fellow classmates. Because of his caring nature and his extremely high intellect, we knew Larry was bound for a life of service to others. Clearly, medicine became his passion, and serving patients became his calling.

I join our classmates in expressing sadness at Larry's passing, but our prayer is you will find comfort through his legacy of love, peace, and goodwill. Amen.

“ *Larry was one of the 5 valedictorians at East Canton High School in the graduating class of 1970. No other high school in the area had this many 4.0 students graduating at the same time.*

Larry was a good friend and it very much saddened me when I learned of his passing. I understand that he was infected by the coronavirus performing his work as a physician.

My sincere condolences go to Larry's brother, Mike, and other members of the Mundy family. May Dr. Larry Mundy rest in peace and continue his work helping people in heaven.
