“ *In the 16 years that I have worked at St Mary\'s, I never saw Dr Kumar become angry at a patient or a staff member. he was truly a kind and compassionate human being who valued who each person was and what they may had to offer. I will miss singing his name as he comes into the nurse\'s station or calls on the phone. He will be greatly missed!..I am keeping Dr Kumar\'s family in my prayers.##imported-begin##Kelly Loudermilk RN##imported-end##*

“ Our heartfelt and sincere condolences go out to the family and friends of Dr. Kumar. The way he took such great care of our parents and the entire Padlo family went far beyond a doctor-Patient relationship. He was much more than our Doctor, he truly became our friend. He had a way about him that made every patient feel special. He truly cared about the patients he had. He saw us all as people and not just patients. We will never forget him. We were truly blessed to have him in our lives.##imported-begin##Cassandra Padlo Belshaw##imported-end##

“ *I, like many of my co-workers, are deeply saddened by the passing of Dr. Kumar. As a nurse, I've had the pleasure of working with him over the last 20 years and routinely saw how dedicated he was to his patients and how he made such a difference in their lives. Dr. Kumar was also our family physician and helped us through healthcare situations with wonderful medical care and compassion. I will always remember him as kind hearted, joyful, insightful, having a great memory and knowing his patients very well. Our thoughts and prayers are with his family and with Meagan, Pam and the girls at the office.##imported-begin##Jen and Jim Fox##imported-end##*
