“ My husband and I would like to personally express our deepest condolences to you. No doubt such loss of a dear one will be felt by many who knew and loved Edith. Long ago, Job asked if one who has died, could he live again. The comforting answer is \"yes\". Our Heavenly Father yearns to bring back life to those who have died. (Job 14:13-15) May you find comfort from his word and the memories you shared together at this very critical time. Take care of yourselves and each other.##imported-begin##PJ##imported-end##
