Tribute Wall

“ *This is in memory of my sister Carmen whom I love very much. I will miss you dearly. I know that you will be in heaven with all the angels and our Dad, tell him hi for me. Carmen, having had you for my sister was wonderful, I only wish you could've stayed here alot longer. I still remember when you left Phoenix, you know that I was pretty much there at the airport till you left crying, cause I started to miss you even before you left. I love you always and forever you will be missed. I love you Sister, we will see each other again. There are so many things that probably didn't get said but sometimes we think we have all the time in the world but I guess that's not true because we don't know how much time we really have. I will have you in my thoughts always, I love you Sis.##imported-begin##Flora Lott##imported-end##*
