*Ed and I worked together at the Wunder Co. Scents 1988. We had a lot of good and tough times . But we always made it work. We were the last two old timers left of the original group. Ed always was the first one there in the morn. I'll surly miss him. Thing at the scope just won't be the same. God bless you Ed. And God bless you Mary and family. If there is any thing I can do please let me know. Love you all.*

“ I miss you, Grandpa. I'll always remember all the vacations, the times you cheered me on to keep going, all the times you were happy to get back on your feet when all seemed impossible, but you made it. I'll be sure to watch Notre Dame more this coming football season and I know in spirit, you'll be there watching them with me. Tell Mr. Engle I said hello and have a good time up there building a layout together.

“ *Ed Luczak was our daughters father-in-law. He was a great person brought Mary and Charles to our house every time they came south. Ed could make me laugh until I cried he will be missed and our prayers are with Mary and the family. Judy Endress*

*I don't know how I can condense knowing Ed for almost 50 years, plus Mary, Mike and Lisa that long too. Then along came Charlie, how proud Ed was of all his family!  
So many good memories of Ed and my husband Gary, as they worked on their lifelong hobby of loving model railroading. Late nights, Aurelio's pizza, laughter, and actually getting work done with the best group of guys ever. Three of you are at peace now. I send my thoughts and prayers to your family.  
I love you all, Judy Engle*
