“ *Our beautiful friend Eileen, oh how you will be missed! Your smile could light up a room. You were always there to lend a hand, run an errand, give of your time and self. Our lives are better because you were in it! We will cherish all the fun memories and adventures that we had together. We will carry on the traditions that we started in memory and out of our love for you! We will eat BLT Clubs and lemon rice soup in honor of you! Rest in peace sweet girl and enjoy your beautiful trip around the sun! Until we meet again, watch over us all. Love you.*
