Eleanor was the best! You guys were such great clients at the shop and customers at the restaurant. One day my son Christopher, who was only in about second or third grade, was at the shop when she had an appointment. When I was finished working on her, he strongly declared that he would never let anyone do that to him, ever! It is one of the funniest memories I have of Eleanor and will remember it always. She will be in our hearts and memories forever ❤️
