She had enlightening contributions to our conversations, even though her sharing had decreased some over the past couple years. Her presence will be sorely missed!!! Big hugs, special caring, and shared memories wished for you, Stan, Erica, and David, and other family members!!

We are so very sorry for the loss to the Christianson family. We have many fond memories of times together when the children were young. Elin was a great role model for our daughters. Elin will be missed. Her many writings will remind us of her contributions that benefit so many.
