“ Aunt Liz, you were truly a special person who was very dear to my heart. I know how important family was to you, so on my Dads behalf (your brother Rich) I would like to acknowledge him because I know you would have wanted it that way. To all of my cousins, words can't express how sorry I am that your mom is no longer with us, she was a beautiful woman with an immaculate heart. I hope you all find peace within your hearts and my prayers are with you all. God Bless you Aunt Liz, I love you.

Forty years of friendship has brought us close at times and drifted away at times, but our friendship always stood the sands of time. I Loved You and your kids. Our families shared many great memories. Our youngest daughters share the same name, I had to be different and put an h on the end. But God called you home, not sure why because all your kids are starting their families and have Grand kids for you to love. I pray for their strength for the next few days, and I pray that they find peace in their hearts knowing she will be missed by many and was loved just as much. Marty, Nicky, Bobby, Billy, Sara, know you are in my heart and prayers. Love You All, Linda & Brian Boros
