

Elizabeth "Beth" Ann Jones

December 24, 1961 - December 17, 2019

Elizabeth "Beth" Jones, age 57, of Lake Station, passed away suddenly on December 17, 2019, just 7 days shy of her 58th birthday. Beth was a lifelong resident of the Lake Station area, where she attended Edison High School and made many lifelong friends.

She was preceded in death by her parents, Catherine "Tiny" Lopez and Verle and Sue Jones as well as her sister Cindy Stewart. Beth is survived by her children - Crystal Jones of Valparaiso, Amber Williams of Hobart, and Frederick "Jake" Williams of Hobart; 4 grandchildren - Aniveah, Jackson, Caedyn, and Norah; siblings - Angel (Tom) Meade of Florida, Deanna (Ben) Strunk of Lake Station, Elaine (Mike) Agnew of Kentucky, and Rich Jones of Lake Station; loving partner of many years - George "Mikey" Kallok; also several nieces and nephews whom she loved as her own.

Beth was known for her kind and compassionate heart. She had a love for animals and just wanted to take care of them all, including feeding the raccoons on her back porch. She shared this same love for people, often taking in those with nowhere else to go even when she had nothing to give. Beth was a very creative person who found joy in crafting and creating things for others, and she loved to do crafting projects with her grandchildren. Her light and love will be truly missed.

In fulfillment of the family's wishes, a celebration of life will be held privately.
Burns Funeral Home and Crematory (Hobart) entrusted with arrangements.
