“ My dear granddaughter, Emily, has been fighting for so long against the very demon that took her life. Although she has been many miles away from me these past few years, we have kept in touch and have shared many long phone conversations. I will miss and love my sweet Emily forever. May she now rest in peace free from her addiction.

“ *You saved me from the edge just a year ago and even with your own demons to deal with you helped so many. Just the day before we spoke of your admiration for your dad and sister, your love for little sister and Benny and your mom too. Almost got to make that come back Em. Fly free as an angel, may God keep you at peace.*
