“ *Kari and The Forster Family,
I am so sorry to hear of your profound loss. I moved form Merrillville in 1994 so it has been years since I have seen you or Eric, but I always remember the two of you being so close. No one can understand the loss of a brother, unless you have walked in the shoes yourself. The road ahead is the hardest road you will travel, and there truly is no comfort, peace, or understanding. Many say it will get easier and that you will move on, but the truth is you won't. He was simply too young. My heart breaks for all of you. If you ever need to talk to someone who truly understands, please feel free to contact me.##imported-begin##Kyle (Bedore) Wilke##imported-end##*

“ Robbin and the Forster Family you are in our thoughts and prayers. Eric had a big heart. I had the chance to meet Eric through my husband Jose who was his FTO officer. While training Eric my husband had talked to Eric about my oldest son(AUSTIN)who wanted to be a firefighter but never had the chance to see a firehouse. So, Eric the big heart that he had told my husband that he was taking Austin to the fire house that week and he did. It is a memory that Austin will never forget. He let him squirt water from the hoses, climb the ladder, try on the fireman boots and even took him for a ride around the block. Austin 13 at this time said He will never forget Eric. He will always be in his memories forever. To Robbin and the Forster Family I hope all the Great memories of Eric will help carry you through the tough times. “ I have taught at Merrillville HS since 1981. I was a youth soccer coach when Eric played and had him as a guest player on my United Team. I was also the Head Soccer Coach at Crown Point and coached against Merrillville where I taught when Eric played for MHS. I remember a tournament back when Eric was quite small and we had him play keeper. Two minutes into the game and the other team had a Penalty Kick against Eric. We thought it was a certain goal but Eric actually dove the width of the goal and blocked the shot. The team went wild and I remember the Referee stopping by our bench and telling me he'd never seen a kid dive the far that fast and actually block a shot. It was as remarkable a feat as the young man who performed it. Eric was always a gentleman and to me a very fine athlete. My son played with and against him and I remember too well their meeting at Merrillville in a soccer match as long lost friends, not as opponents. That's what kind of a person Eric was. I talked to him not long ago while he was working security at a gun show in C.P. and we reminisced about those old soccer days. We really liked Eric and always had good things to say about him. He certainly will be missed. He has touched so very many and has certainly left his mark.##imported-begin##Rick Hurey##imported-end##

“ *I knew Eric when he was younger, he never was without a smile. His smile always lit up a room. He always was hanging around Fire Station #4 in Merrillville until he could become a firefighter and he did. He always said he wanted to become a police officer and he did that also.*

When a tornado came thru my neighborhood in Green Acres - he was there, he, I believe he'd just become a Lake County officer, and there was an elderly woman who everyone thought was missing because she was walking her dog, he helped us gain entry into her house to make sure she was OK. We later found out family had come just before it hit to get her. I just wanted to share that with your family.

He was a great young man and will be sadly missed by all who knew him or ever came in contact with. My family's deepest heart felt sympathy to your family.##imported-begin##Kristi (Wright) Nieman##imported-end##
