“ *Blessed to have Eric in 3 of my classes throughout high school. Your intelligence never ceased to amaze me. I loved when I would wait and talk with Bob in the morning before school, then Eric and mom would come in all smiles. Such a sweet boy who accomplished so much. Sending lots of love for the family. Eric left such an impact on his peers, and I will miss seeing his kind smile in class.*

“ *Eric was a young man I wish I would have known longer. I was blessed with him this year in two of my classes. He was a talented student and a brilliant mind. I was admirable of all of his achievements spite his roadblocks. He brought a smile to many faces and I am so glad I got to have him in my life. He was loved by many. All of his friend's and family are in my prayers.*

“*Eric was such a brilliant and kind boy. I remember the first day I met him in 6th grade and I'll never forget the smile he gave when a teacher would call on him. I even remember doing several projects with him, from English to social studies... I pray for the friends and family of Eric that God may be with them during this time. ❤️ my heart goes out to them*
