

Erin Eileen

October 27, 1961 - April 10, 2026

Erin Eileen Osborne, affectionately known as “Beans” or just Eileen, passed away suddenly the night of April 10, 2026. She was born in Gary and graduated from Wirt High School. She moved near Columbus, Ohio, where she worked, lived, and loved for decades before finally coming back to The Region to be closer to her family. Erin left a lasting impression on everyone who knew her, and she was loved by so many of them. She had lasting friendships from people that she met through work, through social media, or anyone she happened to meet while she was out. Erin was passionate about football, especially her beloved Ohio State and Chicago Bears. She also loved dogs more than people and frequently donated to local animal shelters. Erin leaves behind her older sisters Maureen, Colleen and Lori, and her little brother Tim. A memorial visitation will be held at Burns Funeral Home & Crematory 701 East 7th Street Hobart, Indiana 46342 on Tuesday, April 21, 2026, from 4pm-6pm. There will be no formal services, but we are all welcome to share stories and our love of Eileen loudly and robustly, just as she would have wanted. Please visit Erin’s online guestbook and obituary at www.BurnsFuneral.com

“ I worked with Eileen at #2 Coke as well as us living together briefly. She was crazy in the very best sense of the word. Always a beautiful smile and never left without a hug & 'love ya'. Boy, she could play softball & loved doing so. My condolences to her family especially Colleen who I met thru her.

“ My sincere condolences to the Osborn family for the loss of Eileen 😞 I have so many memories of her and her making me laugh so hard. She was the funniest person I have ever had the joy of knowing. She always drew a tree on everything! And at one of our highschool reunions at Wirt she made me laugh so hard I was afraid I'd pee my pants. She was special.

“ Eileen, I will never, ever forget you. You had been such a big part of my life for nearly 40 years. Losing you, unexpectedly, hurts me so badly. I still had so much to tell you and more memories to make together. You had left a footprint on many hearts in both people and puppies. There is so much more to say, but you know what's in my heart and of all those that loved you.

My prayers go out to the family and many friends.

Til we meet again, my bff, my claimed sister....I love you and miss you! ♡

“ Eileen was an amazing human her love showed through every interaction. I had the privilege of being Eileen’s neighbor for many years in Columbus on Mound Street. When my mom passed unexpectedly when I was 7 it was Eileen’s house that I was safe at. I was there everyday and learned many things from her including training dogs. I know she’s happy with her sweet Nikki, Harley, Rosie and many other pups. Sending all my love and prayers for family. Hoping you will find peace In fond memories now and in the days to come. Love, Steph (and sending heavenly love from Bud and Rose Mary Susil)

“ Oh Eileen. My favorite memory of you was probably just a collection of every time our whole family was together and you were always so happy and joyful and full of life. You loved to dance, you loved to joke, you loved to immerse yourself in love. You're going to be so missed, but I know you're with the pups, with Meems and Papa, and Aunt Cathy. Love you, Aunt Eileen.

My favorite memory is when I brought Rob Gioia to the house for Christmas and Ohio State was playing against a team Rob liked and Eileen had everyone wear Ohio State shirts!!!! She always made people laugh. She was a dog lover like I have never seen before. She fostered and had so many and they were so loved. You would have been lucky if she chose you for her doggy family. She is now with Meems, Papa Jim and my mom. RIP Eileen. Love you

She always rooted for the Eagles, unless they were playing the Bears, and I did the same. We texted throughout football season, and were also "rivals" in the Big Ten (Ohio State and Penn State), although OSU would usually win!
