“ Tuesday was Erma's 87th birthday. I mailed her a card that read something like this : " Do angels in heaven have birthdays? We are not sure but we know angels on earth do. " THIS WEEK AN ANGEL IN HEAVEN HAD A BIRTHDAY.

*It was mine and Gord's good fortune to have known Erma ( and Everett ) for the past 15 or so years. We spent many hours listening to stories of their life together and their lives before they were together. Erma loved to talk of her days driving school bus and about her grandchildren. She was a proud Grandmother.*

*In the last year or two Erma gave her all to look after Everett after his fall. In the last 3 months she spent endless hours sitting with him at the Life Center. She indeed was an Angel.*

*We miss you already Erma , there is a empty space in my heart. Rest in Peace . I will continue to check on Everett for you.*

*Our thoughts and love are with your family and friends.*

*Your Canadian Children AKA Lorna and Gord.*

“ *Erma was a joy to be around! Her baking hundreds of cookies for VBS or sharing a recipe...her excitement in telling a story or speaking an encouraging word! She was full of life!!! She loved the LORD and her family too, always looking forward to a celebration! She will be sadly missed, but rejoice with a celebration as she meets her Savior! Love you Erma and thank you for encouraging me as a young mom and wife...I hold onto those memories of all the times you spent in our home and times at church!*

“ *The few times that I saw Everett and Erma, they were so happy and enjoyed life. It is so wonderful that they found each other in their twilight years and were able to share so many things in the past few years. She certainly took good care of Everett. So sorry for your loss.*
