I never knew that Steve was such a funny guy.

One day he came over to the house and he said to me " I hear it's your mother's birthday and I brought her this.

I looked at it not saying a word because I was a bit confused.

He gave me this unwrapped, laminated cardboard top with a picture of a Margaret ROSE on it but it didn't have the bottom part of the box container to it .

It looked familiar but because I was still confused and looking at this object and with him talking as if he spent zillions of dollars on it.

Then he said, your mothers name is Rose and I'm going to give this to her for her birthday gift!

I said, " STEVE this is an old Di Saronno Amaretto box top without the booze in it!!

He started laughing and said "you caught it Jeri but don't tell your mother."
