“ We are shocked and saddened by Eva Marie's untimely death. She was a warm, spirited person who made all of us smile when she entered the room. She was always positive and truly enjoyed everyone she came in contact with. Eva Marie was so excited to graduate from our Dental Hygiene program and we all feel so blessed to have known her. We will miss you dearly sweetheart, tell Dr. Flanagan we said \"Hello\". To the family, find comfort in knowing that you did an outstanding job raising and guiding such a lovely, exceptional young lady.

“ You toiled so hard for those you loved, you said goodbye to none. Your spirit flew before we knew your work on earth was done. We miss you now, our hearts are sore, as time goes by we miss you more. Your loving smile, your gentle face, no one can fill your vacant place. Your life was love and labor, your love for your family true. You did the best for all of us, we will always remember you.##imported-begin##John & Nonie Castro##imported-end##

“ My sweet little Marie, you left us way too quickly but I remember
Mom carrying you, the day you came into this world. You were the
joy in your Dad's life. I remember you two having tea parties! Your
mom would brush your hair and make you look like a princess. You
were so happy and always smiling...always. Along came Michael
and you loved and protected him. My Missy and you played
together all the time on Waters Street. Time passed so quickly; you
blossomed into a beautiful, kind, caring, happy, educated woman.
You met a wonderful man, Nick and you discovered the world
together. So in love and so happy together. I am so honored to be
your Titi Di. It hurts so much to know that I won't hear your laugh or
see that beautiful smile but I know that some day, we will all be
together again! I love you my little "Re". You now have the wings of
an angel.##imported-begin##Diane Maples##imported-end##

“ i am so sorry for your loss. eva was such a special person with such a big heart. she was an inspiration to everyone that she knew. I went to high school with her and graduated with her and always she would say hi and ask how my day was. Even though I rarely talked to her through the years, i would always stop by her page and say hi. She would never not say hi back. Everyone has lost a very special person with such energy that could light a room. I am so sorry for the pain that your family is going through, and know that she has left everyone that she knew with a great memory of her. I will never forget her. Love you eva.
