“ *Bobbie and Eva were walking home from the store and they were living in tucson, Az. Bobbie and Eva was walking home and it was pitch black you couldn't see nothing in the dark, once the sun goes down in the desert you cant see nothing in the dark. There are no lights like in the city. Bobbie and Eva got lost. Eva said, to Bobbie I told you we needed to leave early now we cant even see nothing. Bobbie and Eva were lost for hours, walking in darkness and with cactus's all around.*

Finally Eva found the way home, after wandering for a few hours in the darkness. Bobbie felt stupid, and thought she so should have listened to her little sister Eva about leaving earlier..

But thought in her mind it wasnt that late and they would make in time before the sun went down. I was really grateful, and happy, Eva brought us home.
